1/ A/47/573.

Welcoming the recent positive developments in the region, including the holding of elections in Angola and the recently concluded General Peace Agreement for Mozambique, signed in Rome on 4 October 1992,

Recognizing the urgent and imperative need for all the parties in South Africa to implement fully the relevant provisions of Security Council resolutions 765 (1992) of 16 July 1992 and 772 (1992) of 17 August 1992,

Gravely concerned about the effects of the devastating drought which is currently ravaging the southern African region,

Welcoming with appreciation the positive response of the international community at the Pledging Conference for the Drought Emergency in Southern Africa, held at Geneva in June 1992,

Conscious of the urgent need for and responsibility of the international community to continue to deal with the drought situation and other problems affecting the region,

Mindful of Security Council resolutions 568 (1985) of 21 June 1985, 571 (1985) of 20 September 1985 and 581 (1986) of 13 February 1986, in which the Council, inter alia, requested the international community to render assistance to the front-line States and other neighbouring States,

1. Expresses its appreciation to the Secretary-General for his efforts regarding assistance to the front-line States and other neighbouring States;

2. Notes with appreciation the assistance being rendered to the front-line States by donor countries and intergovernmental and non-governmental organizations;

3. Further expresses its appreciation to the Secretary-General, the donor countries and non-governmental organizations for the invaluable assistance they are rendering towards the alleviation of the effects of the drought in the region of southern Africa;

4. Expresses its deep concern about the continuing adverse effects of past acts of aggression and destabilization in the region;

5. Strongly urges the international community to continue to provide, in a timely and effective manner, the financial, material and technical assistance necessary to enhance the individual and collective capacity of the front-line States and other neighbouring States to cope with the effects cited above;

6. Requests the Secretary-General and organizations and bodies of the United Nations system to respond, as appropriate, to such requests for assistance as might be forthcoming from individual States or the appropriate subregional organizations, and further urges all States and intergovernmental and non-governmental organizations to respond favourably to such requests;

7. Reiterates the urgent need for the removal of all remaining obstacles to the resumption of constitutional negotiations on a non-racial democratic South Africa;

8. Appeals to all States and appropriate intergovernmental and non-governmental organizations to support, in the context, inter alia, of the current drought situation, the national and collective emergency programmes prepared by the front-line States and other neighbouring States to overcome their critical humanitarian and emergency problems, taking into account the special circumstances of the most affected countries;

9. Appeals to the international community to extend appropriate assistance to the front-line States and other neighbouring States to enable them to advance the process of regional economic integration as envisaged in the Treaty of 17 August 1992, establishing the Southern African Development Community, including the eventual participation of a non-racial democratic South Africa;

[10. Requests the Secretary-General to report to the General Assembly at its forty-ninth session on the progress made in the implementation of the present resolution.]
